

## Year 2 Autumn 2 – Maybe it's because I'm a Londoner

### Topic Overview

In Autumn 2, children will be exploring where Abbey Wood is in relation to London. The children will learn about the human and physical features of London including the River Thames and different landmarks e.g., Big Ben, The London Eye etc.

**Educational visit:** As part of our science topic – everyday materials, we will be visiting the local area and completing a material hunt, looking for different materials in the environment.

### Our Learning Overview

Maybe it's because I'm a Londoner

#### English

In writing, we will be composing a setting description based on one of the London landmarks. We will also be researching famous places in London and creating factfiles.

#### Maths

In maths, we will be looking at numbers within 100, adding and subtracting these numbers and putting them into word problems.

#### Science

In science, we will be learning about everyday materials. We will identify, classify and describe them while performing investigations to test material suitability.

#### Geography

In geography, we will be identifying where Abbey Wood is in relation to London. We will also be exploring the different human and physical features including the River Thames and different London landmarks.

#### Art

In art, children will develop their understanding of printing. We will be using pencil to create a London scene then covering with paint to press onto material to make an impression.

#### RE

In RE, our focus question is - How should we care for others and why does it matter? We are going to learn about Christianity and how this question links to this religion.

#### Music

In music, we will continue to learn how to play the recorder. We will be learning to follow a simple rhythm and also how to read musical notes.

### Key Texts
