

Year 5 Spring 1 – Tomb Raider

Topic Overview

This term you will be learning about the ancient Egyptians. In this topic we will be learning about the civilisation of ancient Egypt and how they were renowned for their knowledge; pyramids; trade and social hierarchy. Children will learn how Egyptians communicated, lived and worked, and the rise and fall of such an interesting empire.

Hook: We will become archaeologists digging through the sand to discover ancient artefacts!

Trip – We will be visiting a Mosque in Woolwich as part of our study of Islam.

Our Learning Overview

Tomb Raider

Writing

We will be studying Emma Carroll's "Secrets of the Sun King," and for our final piece we will be creating a newspaper article about an Egyptian -chariot race!

Maths

In maths we will be working on multiplication, division and fractions. Our times table focus will be 7s and 12s.

Science

This term will be physics and we will be looking at forces. We will be experimenting with friction and the affects of surface area upon the rate of a falling object.

History

We will travel back in time to learn about the Ancient Egyptians, including what their lives were like, their belief systems and unveiling the mysteries of the pyramids.

DI

We will be creating moving models based on the banks of the river Nile, as well as our own Egyptian headresses!

RE & PD

Children will learn what it means to be a Muslim in Britain today. In PD, we are looking at ideas of community and how to take care of each other.

PE and Computing

Swimming will carry on this term and they will be working on their basketball skills. In computing, we will learn how to create short videos using capturing, editing and manipulating.

MFL Music

In Spanish we will be focussing on learning about jobs and professions using LanguagNut.
In Music, we will continue to work with the brilliant Mrs Masheder.
