

Year Group: 3 Term: Spring 2

Big question: What did the Romans do for us?

We will learn all about the Roman Empire's invasion of Britain and decide whether the Roman invasion had a positive or negative impact on Britain.

Hook

We will try a range of different foods from Egypt, Italy and Greece as these were the countries that Iliona either lived in, or visited in our core text.

Subjects

English

We will be writing our own flashback narrative based on a day in life of a Roman. We will be learning about Iliona's life as a young Roman child.

Maths

In maths, we will be exploring fractions. We will learn how to count fractions on a number line and compare non-unit fractions.

Science

In science, we will be exploring light! We will learn about sources of light and that light is a form of energy. We will explore shadows and the visible light spectrum.

History

In history, we are going to be exploring *What did the Romans do for us?* We will discover who the Romans are, what they brought to Britain and what happened when they invaded Britain.

Art/DT

In DT the children will be learning about healthy and varied diets. They will use their knowledge to design a healthy sandwich including ingredients which the Romans would have had available to them.

Music

In music, we will be exploring the world of Roman instruments and world of music. We will be looking at their music and then learning a song.

Computing

In computing, we will be exploring the world of coding by using the app 'Swift Playground'

R.E.

In RE the children will be exploring the question 'what do different people believe about God?'

P.E.

In PE, we will be developing our gymnastics skills by focusing on linking our movements together. For outdoor PE, we will be developing our netball skills. Our PE days are **Monday** and **Tuesday**.

Personal Development

In PD, we will be looking at understanding personal boundaries. After this, we will be looking at how behaviour of others can affect us.
